### **Executive chairs**

Lievore, Altherr, Molina - 2014  
Client: Arper Spa.

Development for variants for  
existing family of executive  
chairs using full scale-models.

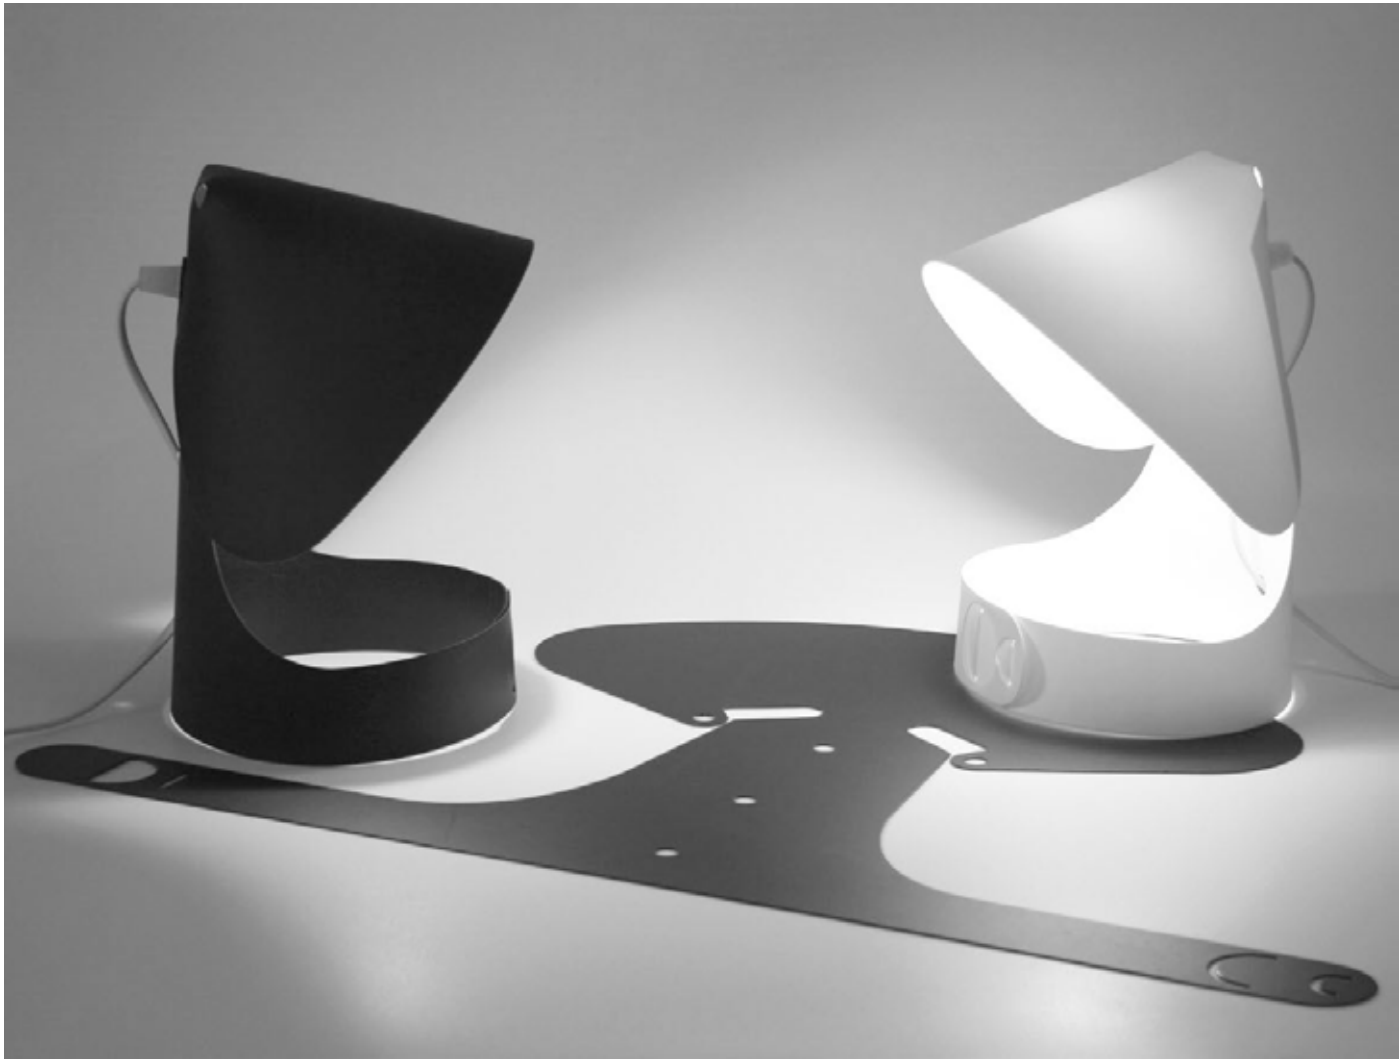

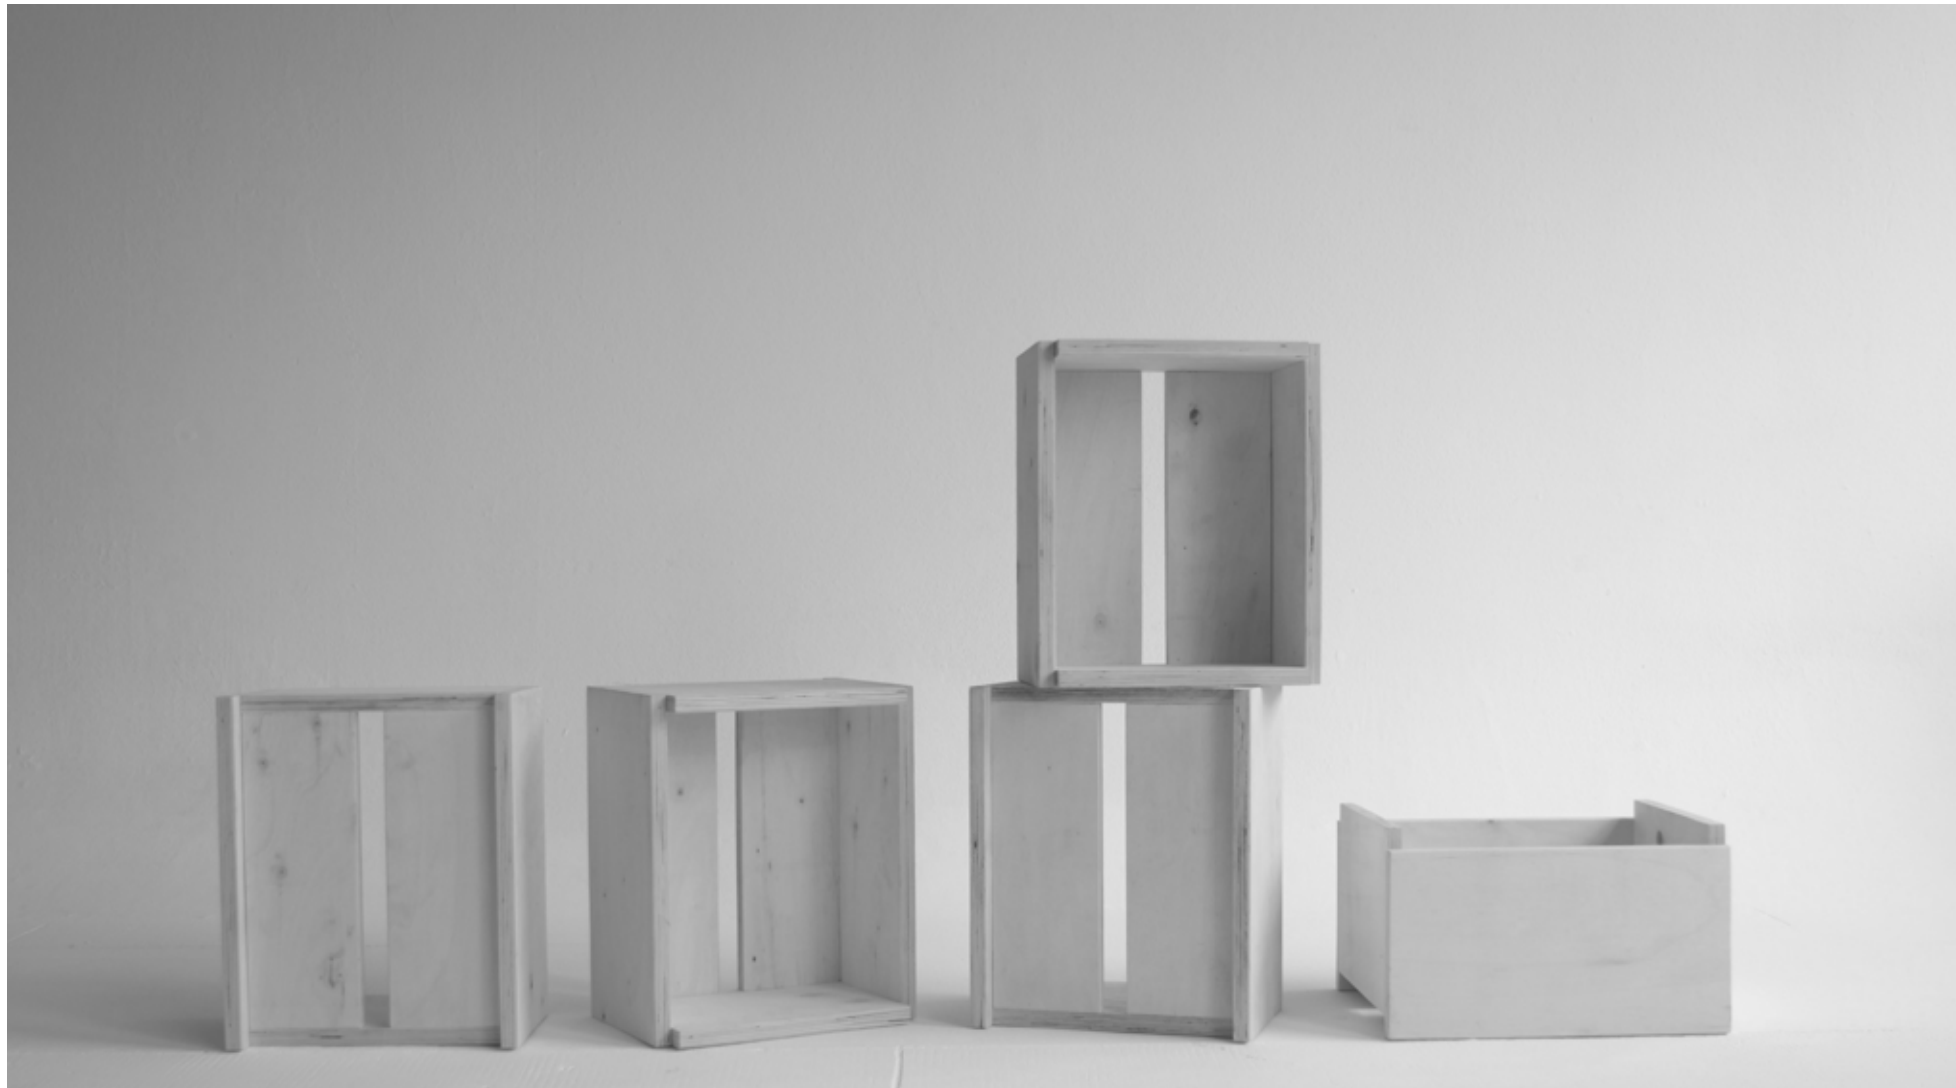

**Table lamp**

Self-produced, 2015  
(Design, Manufacturing, Photography)

Beautiful and cost-effective lighting.  
Punch-cut and bended sheet  
of polypropylene gives structure  
to the object and provides warm  
direct/indirect lighting.

*Selected for incubation at  
Centro Metropolitano de Diseño  
Buenos Aires, Argentina*

### **Modular containers**

Self-produced, 2018  
(Design, Manufacturing, Photography)

Family of modular containers  
made from reclaimed plywood

Pliable and highly flexible, allow for  
multiple uses, from storage and  
tray, to side tables.

*Reclaimed birch plywood from  
IT packaging*
